Dear friends,

The Summer has ended, and Autumn is here (we can hardly believe it's been a year now since we moved to Moldova)! As we look forward to the coming year of ministry, we want to say how grateful we are to you all for your prayers, kind messages and goodies that you have sent our way.

This summer we've had 190 participants from 14 different nationalities, making up 20 teams to share the Gospel. They dispersed all across Moldova by trekking, rafting, cycling, train, bus and horse and cart. Together we worked to share the gospel through children's programs, Bible handouts, street evangelism and care packages. Many have come to know Jesus and several of our participants are now inspired to take further steps of involvement in God's worldwide mission.

In specific, this summer, God has worked through *Brooke on her first ever missions trip! Being 17 years old and already having gone through so many difficulties in life, it was hard for her to know the purpose of all these undesired experiences. During the outreach we visited different families in the community who were in challenging circumstances. As Brooke shared her own experiences of trials, she led a young girl in a similar position to see God's goodness and faithfulness. As the girl she spoke with was touched to tears, she began to realise how powerfully God can reveal Himself to others through her testimonies and how He wants to continue using her life for this purpose.

Please contact us if you would like to join us on a short-term trip and see for yourself, how God can work through you, like He used Brooke.
